

Our Mission:  
 To provide alternative education with a forum in which to gather information, conduct research, educate the public, and inform public policy

Thank you for your interest in the Arizona Alternative Education Consortium! Membership in the consortium shows your commitment to and support for non-traditional education in Arizona.

**We look forward to your participation!**

Membership Benefits include:

- Participate in a forum through which stakeholders can advocate, communicate, and network about Alternative Education in Arizona.
- Be a part of developing solutions for policy and practice affecting the students and families served through alternative education campuses.
- The opportunity to gather and disseminate information which is relevant to Alternative Education.
